AMN Healthcare Ranks #11 on Fortune 100 Fastest Growing Companies

October 5, 2017

Impressive three-year performance for revenue, profits and stock returns

SAN DIEGO, Oct. 5, 2017 /PRNewswire/ -- AMN Healthcare (NYSE: AMN), healthcare's innovator in workforce solutions and staffing services, announced today that is has been ranked #11 on *Fortune's* 100 Fastest Growing Companies list. The *Fortune* report ranks publicly traded companies based on three years' growth in revenues, profits, and stock returns.

"AMN is honored to be recognized by *Fortune* as an organization with proven performance and enduring potential for growth," said Susan Salka, CEO and President. "We pride ourselves on our ability to address the healthcare industry's most pressing workforce needs through innovative solutions and effective relationships that deliver for our clients, healthcare professionals, and the patients they serve."

The ranking comes on the heels of several years of fast-paced organic growth coupled with strategic acquisitions for the company. While AMN Healthcare has been the clear leader in healthcare staffing for over 15 years, the recent growth experienced by the company has also catapulted AMN to become the leader and innovator in workforce solutions, including technology and analytics-related solutions to help clients tackle the myriad of workforce and cost-related challenges they face.
