Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. The Company based these forward-looking statements on its current expectations, estimates, forecasts and projections about future events. Actual results could differ materially from those discussed in, or implied by, these forward-looking statements. Forward-looking statements are identified by words such as "believe," "anticipate," "expect," "intend," "plan," "will," "should," "would," "project," "may," variations of such words and other similar expressions. In addition, any statements that refer to expectations, projections or other characterizations of future events or circumstances are forward-looking statements. Factors that could cause actual results to differ from those implied by the forward-looking statements contained in this press release are set forth in the company's Annual Report on Form 10-K for the year ended December 31, 2011, its other periodic reports, including its quarterly reports, as well as its current and other reports filed with the SEC. These statements reflect the Company's current beliefs and are based upon information currently available to it. Be advised that developments subsequent to this press release are likely to cause these statements to become outdated with the passage of time.
