Item 8.01 Other Events.

On February 24, 2009, AMN Healthcare Services, Inc. (the “Company”) announced several strategic restructuring changes, primarily affecting its travel nursing division:

- (1) The Company will be phasing out use of selected brands in marketing its travel nursing services to registered nurses and related healthcare professionals, including the RN Demand[®] and Preferred Healthcare Staffing[®] brands— to consolidate around its five core travel nursing brands: American Mobile Healthcare[®], NursesRx[®], NurseChoice[®], O’Grady Peyton[®] and Medical ExpressSM. In marketing to hospitals and healthcare clients for nurse staffing services, the Company will continue to use primarily its AMN Healthcare[®] brand name.
- (2) As part of this brand consolidation and to reduce the long-term cost structure, the Company will be closing its Huntersville, North Carolina office, effective April 30, 2009. The NursesRx recruitment functions will be transferred to the Ft. Lauderdale, Florida office, which will be assuming the NursesRx brand identity. Other functions currently occurring in the Huntersville office will be transferred to other AMN offices.
- (3) The brand consolidation and office closure will affect less than ten percent of the Company’s corporate employees.
- (4) The Company expects to record restructuring charges of approximately \$3.0 million in the first quarter of 2009, related primarily to employee termination benefits and lease termination expenses. More information will be provided on the Company’s fourth quarter 2008 earnings call on February 26, 2009.
