Explanation of Responses:

- The Form 4 filed by the reporting person on March 4, 2013 ("Original Form 4") was filed in error. On March 1, 2013 the reporting person was advised by his broker ("Broker") that the two transactions reported in Table I of the Original Form 4 occurred on March 1, 2013. Accordingly, the reporting person timely filed the Original Form 4. Subsequent to the filing of the Original Form 4, the reporting person was advised by Broker that the two transactions set forth in Table I of the Original Form 4 had been, without his knowledge, cancelled and not effected. Broker actually effected the one transaction reported in this Form 4A as set forth above on March 7, 2013. Accordingly, the two transactions reported on the Original Form 4 are hereby deleted in their entirety and replaced by the transaction reported in this Form 4A.
- The price reported in Column 4 represents a weighted average price of \$14.5886 per share. These shares were sold in multiple transactions at prices ranging from \$14.58 to \$14.64, inclusive. The reporting person undertakes to provide to the issuer, any security holder of the issuer, or the staff of the Securities and Exchange Commission, upon request, full information regarding the number of shares sold at each separate price.
